A WORLD AT PLAY

WEEGWASUN (MAY YOU LIVE HAPPILY)

On behalf of the Mohegan Tribe, I am honored to welcome you to Mohegan Sun Golf Club. Originally designed by the legendary golf course architect Geoffrey Cornish, the recently improved course offers one of the finest golf and resort experiences in the region. The layout is considered to be a championship course that challenges and accommodates all levels of play regardless of skill level or experience.

The Mohegan people possess a deep reverence for Mother Earth and we are immensely proud of our conservation efforts and participation in the Audubon International Certified Signature Sanctuary program. The course features an aesthetically pleasing blend of native fescue grasses, scores of wildlife and nearly 100 species of birds set amongst the picturesque landscape of southeastern Connecticut.

Mohegan Sun Golf Club is about having fun and is an integral part of the A WORLD AT PLAY experience. Thank you for choosing Mohegan Sun as your golf and resort destination.
